CLIENT GUIDE

about me

Hello there, I'm Lise-Marie , and it is my pleasure to capture some of the most enchanting moments you will experience in life. I started my photography journey in 2009 and since then just loved every moment capturing special moments.

There is something so timeless, exquisite, and touching with storytelling through images of your big day. Your wedding day will give you jitters and butterflies, all of which is entirely normal and to be expected.

Let's break the ice! I want to ensure a comfortable atmosphere, and together, we can produce beautiful portraits that will last a lifetime.

Client Reviews

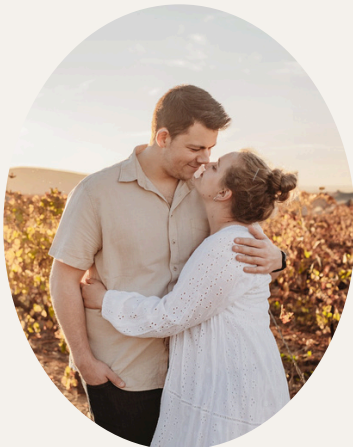

Absolutely inlove with our engagement-shoot pictures with Lise-Marie! Thank you for making us feel comfortable, our pictures truly reflects who we are! We will definitely use you in the future!

Nicole Pohl

Lise-Marié was amazing throughout the process. From our engagement shoot to getting our wedding pictures. The pictures themselves are beautiful and we were surprised at how quickly we got them. We recommend her to anyone needing professional pictures to be done. She captured our wedding perfectly and beautifully. We are very satisfied.

Thandi Mcizana

Could not recommend Lise-Marie more! We had an engagement shoot with her, and everything from the start to end was incredible! The photos were breathtaking and definitely something we will cherish and remember forever! You won't regret choosing her to capture your most precious moments and memories.

Engagement Session

First and foremost, congratulations on your engagement. My goal is to produce soft and whimsical photography of two people in love. Let me be the third-wheel on your date, so-to-speak, and capture your raw emotions. This is an excellent way to become comfortable in front of the camera and have images to use for 'Save The Dates.'

ENGAGEMENT
